Rev. Dr. Frederick C. and Melissa Williams

the 1990s, the number of people in the UK who are employed in the public sector has increased from 10.5 million to 12.5 million, and the number of people in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector. One reason is that the public sector has become a more important part of the economy. Another reason is that the public sector has become a more attractive place to work. A third reason is that the public sector has become a more important part of the welfare state.

The increase in the number of people employed in the public sector has led to a number of changes in the way that the public sector is organized. One change is that the public sector has become more decentralized. Another change is that the public sector has become more market-oriented. A third change is that the public sector has become more customer-oriented.

The changes in the way that the public sector is organized have led to a number of challenges for the public sector. One challenge is that the public sector has become more complex. Another challenge is that the public sector has become more competitive. A third challenge is that the public sector has become more demanding.

The challenges that the public sector faces are a result of the changes in the way that the public sector is organized. The public sector must find ways to meet these challenges in order to continue to provide the services that it is expected to provide.

One way that the public sector can meet these challenges is by increasing the number of people employed in the public sector. This can be done by recruiting more people to the public sector. Another way that the public sector can meet these challenges is by increasing the productivity of the people who are employed in the public sector.

Increasing the productivity of the people who are employed in the public sector can be done in a number of ways. One way is by providing more training and development opportunities for the people who are employed in the public sector. Another way is by providing more resources to the people who are employed in the public sector.

There are a number of other ways that the public sector can meet these challenges. The public sector must find ways to meet these challenges in order to continue to provide the services that it is expected to provide.

Turkey Creek Missionary Baptist Church Vision and Mission

The vision of Turkey Creek Missionary Baptist Church is founded upon the truth of **the Great Commandment**:

Matthew 22:36-40 "[36] Master, which is the great commandment in the law? [37] Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. [38] This is the first and great commandment. [39] And the second is like unto it, Thou shalt love thy neighbour as thyself. [40] On these two commandments hang all the law and the prophets"

The mission of Turkey Creek Missionary Baptist Church is founded upon the truth of **the Great Commission**:

Matthew 28:19-20 "[19] Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: [20] Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you always, even unto the end of the world. Amen."

Therefore, we have a vision and mission to serve God and His people.
VISION: We will demonstrate our love for God, our love for each other, and our love for our neighbor through Excellence in Ministry for the Cause of Christ.

MISSION: We will prepare the saved and the unsaved for the return of our Lord and Savior Jesus Christ through the teaching of sound doctrine, through the sharing of the Gospel, and the giving of time, talents, and tenths.

TO GOD BE THE GLORY!!!

Pastor E. Tyrone Turner

Pastor Edward Tyrone Turner was born in Dublin, Georgia. He is the fifth of six children born to the late Deacon James Turner, Sr. and Mrs. Martha Turner White. He is married to his lovely wife, Cassandra White Turner, and together they are blessed with four children: Mashah, Jurnee, Tyranee, and Sydney, and two grandchildren; Paige and Trayce.

Pastor Turner is a graduate of West Laurens High School. At the age of 20, he accepted Christ as his personal Savior under the ministry of Bishop Paul S. Morton. Soon after, he joined a local church in Dublin, Georgia, where he faithfully served as a Cell Group Leader in the small group ministry and furthered his biblical studies at Christian Life School of Theology.

In 2005, Pastor Turner answered the call to ministry under the leadership of Rev. Gerald Smith and began serving as an associate minister at Turkey Creek Baptist Church. During that time, he shared the gospel, taught Sunday School, and faithfully shepherded the congregation in the absence of the pastor.

That same year, he founded Tyrone Turner Ministries and launched a local television broadcast under the guidance of the Holy Spirit. In 2006, Pastor Turner founded Kingdom Living Church. Under the motto, "A Catalyst for Change," the ministry has made a tremendous impact in the lives of many both in the community and beyond. Through powerful, worship-filled weekly services, Pastor Turner passionately teaches and preaches the message of the Kingdom of God.

Kingdom Living Church continues to transform lives and strengthen the surrounding community. Pastor Turner's vision is singular and uncompromising: to build and develop a Kingdom of empowered people for God. He stands firmly on the commission found in Matthew 6:33, "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

In addition to his pastoral leadership, Pastor Turner also serves as a general contractor with more than 30 years of experience in residential and commercial construction. He has a special passion for building worship facilities that create spaces for the Kingdom of God to grow and for expanding the army of the Lord through a thriving, worship-filled congregation.

God loves you and so do we.

Plan of Salvation

Knowing your sins are forgiven and you are ready for heaven is as simple as A B C:

A. Admit you have sinned.....

"For all have sinned and fall short of the glory of God" (Romans 3:23)

"If we say that we have no sin, we deceive ourselves, and the truth is not in us" (1 John 1:8).

B. Believe in Jesus.....

"For God so loved the world, that He gave His one and only Son, that whoever believes in Him shall not perish, but have eternal life" (John 3:16).

C. Confess and leave your sin.....

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." (Romans 8:9-10)

"If we confess our sins, He is faithful and just and will forgive our sins and purify us from all unrighteousness" (1 John 1:9).

You might want to use the following prayer as a guide:

Lord Jesus, I acknowledge that I'm a sinner, and I'm sorry for my sin. Thank You for dying on the Cross for me. Please forgive me of my sin, and accept me as Your child. I desire to live for You, Jesus. Amen.

Congratulations on becoming a part of God's forever family. Obviously, this is only a first step. Should you like to know more about your decision please contact us at 828 Scotland Road Dublin, Georgia 31021 or visit our website at www.turkeycreekbaptistchurch.org and click on our Contact us link.
